

# Get to know your Module Icons:

You will find a variety of icons throughout your modules area. Getting to know what each icon stands for will help you plan your week accordingly.

	<b>Canvas Information Page-</b> This is where you will find important information about your class.
	<b>Assignments– Worth Points</b> Make sure to get all of these done by the due date.
	<b>Discussions–</b> Here you will talk with your teacher and classmates about a subject. You may also have to respond to a couple classmates.
	<b>Quizzes</b>
	<b>External Link– URL to an outside webpage</b>

# Getting Started With Modules:

## Helpful Tips:

- Modules typically flow in sequential order
- If your module items are not clickable, that may have requirements like the image below. This means you MUST go in order before opening the next item.
- Make sure to go through all the resources provided in your modules
- Keep track of your due dates
- Reach out to your instructor ASAP if you get stuck or have questions
